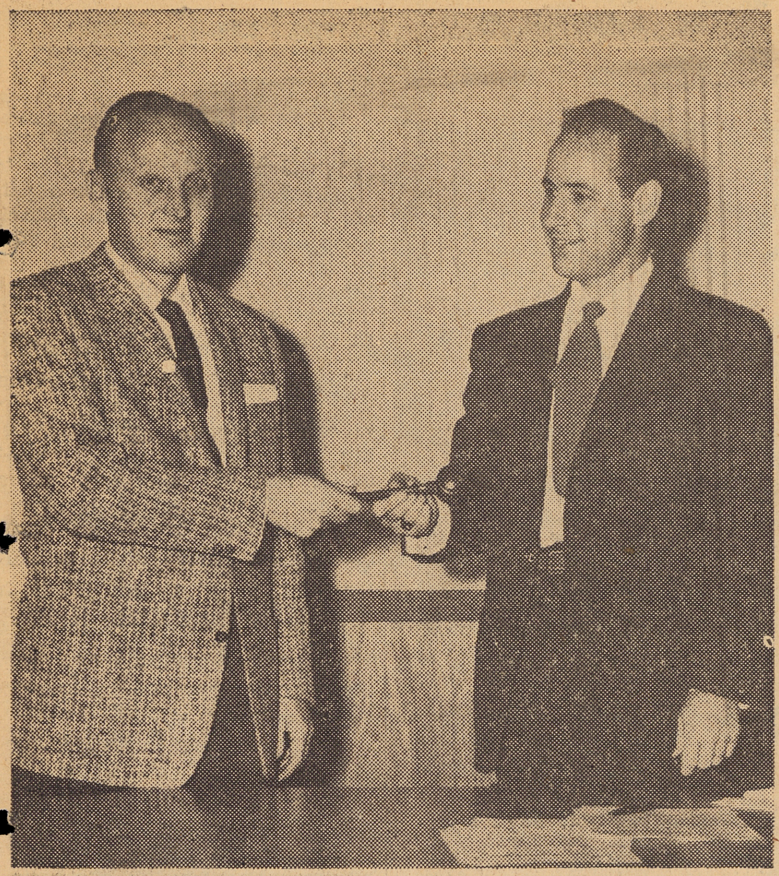
A GROWING NEWSPAPER A GROWING COMMUNITY

Vol. 65, No. 2 CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c Thurs., January 10, 1956



TAKE OVER, SAM . . . Homer Hyde (left) chairman of the Campbell Planning Commission during 1956, turns the gavel of office over to Sam D. O'Brien, who will head the Commission during 1957.—Campbell Press photo.

City Planners Give Okay to Apartments

City Planners gave their blessing to the building of two apartment houses totalling 33 units near the north city limits last Thursday night, in the same general area but one of the approvals was granted over the objections of both Nestor Barrett, planning consultant, and Sam D. O'Brien, newly elected Planning Commission chairman.

Plans for both apartment houses call for two-story buildings. The larger of the two (21 units) will be located on the northeast corner of W. Rosemary Lane and Winchester Road while the other (12 units) will be almost across the street on two lots, each 54-feet wide, that extend from Hamilton Ave. through to W. Rosemary Lane.

Otis Fuller, 590 Dry Creek Road, representing the Speed Construction Corporation, the applicant for the zone variance for the 12-unit apartment house ,told the Commission that the variance was necessary because the total square feet in the two lots only allowed 11 units to be built. The plans called for 12, he said, but no more ground space would be used.

Barrett explained that, if the apartments were built on the two lots, it would curtail development of the frontage property on Winchester Road when the street was widened. A service station is now located on that street. He asked the record to show that he opposed the zone variance because no hardship in the case had been shown. However, six of the commissioners voted in favor of the variance with O'Brien casting the lone "no" vote.

Unanimous approvel was given the plans for the 21-unit apartment house after the applicants, Joe Martin and Lee Prussia, had modified their plans eliminating six units from the original 27 in order to come within the minimum square foot frontage requirements. The modified plans were presented and explained by Bob Ferguson who had drawn them up. Approval was granted subject to conditions which included the posting of a completion bond, property dedicated for streets with all improvements meeting the City's specifications.

The Commission also approved the tentative subdivision map submitted by Norman Husted for five residential lots located at McBain and Midway avenues. The approval here was also granted subject to conditions regarding proper drainage and other improvements.

The Commission also received a written protest from Mr. and Mrs. G. G. Kornelson against the automatic car laundry recently approved for Latimer Ave. and Winchester Road just to the rear of the Union Oil Service Station.

Change of Heart

Turned down on a previous request to operate their concern in a commercial zone, George Donovan and Charles L. Filse of the Sno-Foam Novelty Mfg. Co., were more successful last Thursday night. The City Planners reversed their previous stand and approved their request to set up shop in the vacant store building at 10 Lowell Way at the rear of Aero Pharmacy on Winchester Road.

Commissioner Les Harmon who made the motion defining the company as a manuturing firm at the first meeting reopened the matter Thursday.

He said that investigation showed the firm's operation (it makes novelty items from polystyrene, a form of plastic) was lighter than many allowed in a commercial zone. Harmon's fellow commissioners agreed and a resolution will be drafted allowing this special type of operation in the commercial zone.

Nestor Barrett, planning consultant, however asked that the record show that he disapproved of the Commission's change of heart.

On The Line in Campbell

Mrs. W. R. Morgan, chairman of the Campbell Youth Council, was the principal speaker at the Cambrian-Union Community Youth Council meeting at Camden High School Monday night. Mrs. Morgan talked on the youth guidance program which has been instituted in Campbell and has gained an enviable reputation throughout the state. A report on the program appears in the current state PTA magazine. Mrs. Morgan represents the Sixth District PTA in sponsoring the program. She also spoke in Hollister on Tuesday night and is "booked" in other communities contemplating the same type program throughout the month.

—o—

The physics classes at Campbell High School attended the open house held by the Engineering Department at San Jose State on January 4.

—o—

Tonight the Saratoga Kiwanis Club will hear a report on the controversial issue of a proposed police force for the new City of Saratoga. Bob Mason, county communications director and Walt Phillips, who operates a private police patrol, will be joint speakers.

—o—

Moreland School District officials on Wednesday night held a staff meeting at which the civil defense program that has been worked out for all the schools in the district was explained.

—o—

The Campbell Police reported this week that sometime between Sunday night and Monday the Campbell Congregational Church was entered and $75 taken from the safe in the pastor's office.

The police also reported that six teenage youths have been apprehended for recent burglaries committed in Campbell. Three of the youths admitted burglarizing Jimmy's Shoe Shop on two occasions, on New Year's Eve and two nights later. Two of the boys were turned over to the Campbell Youth Guidance Committee and the other booked at the juvenile Hall.

Three different boys were apprehended and admitted burglarizing the Golden State Cleaners last Thursday night and taking $55 in cash and several checks. All three of them with prior records were taken to Juvenile Hall.

Program Sunday Dedicates New City Hall Here

"It is with mixed emotions that I take part in this program today," the Rev. Corwin H. Olds told the overflow crowd at the impressive but simple ceremonies which dedicated Campbell's first City Hall on Sunday afternoon.

The Rev. Olds, pastor of Campbell's Congregational Church, told how the bulding that has been converted into a spacious city hall had served for more than 60 years the Congregational Church of Campbell. Just last July, he said, he had stood in the pulpit (almost where he was standing then) and conducted the farewell services for the church.

Other speakers in brief addresses touched on the importance of community cooperation in all endeavors. Councilman Richard Morton, the city's first mayor, said in dedicating the hall, the city was actually giving it to the people for use to the best interests of all.

Supervisor Oran L. Slaght complimented the City of Campbell on its progress and promised continued cooperation from the county. The invocation was given by the Rev. Herbert W. Neale, of the First Methodist Church, and the Rev. Father Thomas Ahern, of St. Lucy's Catholic Church, gave the benediction.

Mayor John M. Chargin welcomed and introduced the guests and as mayor received the American flag as a gift of the Campbell Lions Club. The presentation was made by Thayer Lyons, club president.

Oliver Jensen, president of the Kiwanis Club, presented a painting to the city for the council chambers as a gift from the club. The painting was done by Frank H. Cutting, noted Campbell artist. The California state flag was presented by members of the Native Sons of the Golden West, Parlor 22 of San Jose. Taking part in the presentation were Wayne Banker, president-elect, Lawrence Flores, and John R. Sullivan, both past presidents. Miss Lynette Wood sang the national anthem after the flags were presented.

At the close of the dedicatory program which took place in the council chambers, those attending were invited to inspect the building and the offices. Refreshments were served in the conference room by wives of the city councilmen and music during the afternoon was furnished by a Camden High trio composed of Dianne Fammatre, violin; Donna Fammatre, cello; and Carol Bridges, piano.

RAIN DROPS

The storm which passed over the Campbell area last Tuesday left .73 of precipitation, according to the Campbell Water Co. gauge. Total to date for the year is 2.23. Normal is 7.23, and last year at this time 14.67 was recorded. Total rainfall last year was 21.12.

Central Avenue Site Appears Set For New Campbell Post Office

Despite rumbles of disapproval from many quarters in town, indications were this week that the new Campbell post office would be located on N. Central Ave., near Grant Ave., just north of the new City Hall.

This was indicated by J. F. Dempsey, building inspector for the postal department for this area and responsible for choosing a suitable site for the new office. He told The Press that the postal department expected to call for bids for the building about January 21. He said that the contract could be awarded 60 days after the advertisement.

Hold Land Option

Dempsey explained that the post office department will neither purchase nor build the office in Campbell but the contract will be awarded to the lowest bidder on plans for the building drawn by the department. The successful bidder also must purchase the property on N. Central on which the department now holds a land option from Mr. and Mrs. Ed Kennedy, present owners.

Last Thursday the Campbell Planning Commission had a preview of tentative plans for the new post office. Al Conley, local real estate agent, representing Mr. and Mrs. Kennedy presented the preliminary plans to the Commission. It was emphasized that no official action was expected by the Planners but the presentation of plans was purely for informative reasons. The Commissioners announced that it expected the postal department to follow the same procedure as any other applicant in getting plans approved.

In the meantime as the postal department moved forward in its tentative planning stage and it appeared that the N. Central Ave. location was "in", more and more grumbles were heard in town over the location that had been chosen.

Several other sites in town that were available, it was claimed by a number of residents, offer more advantages. Dempsey, however, told the Press, that he felt that the N. Central Ave. spot was superior to others that had been presented. He said that he had spent more time in Campbell hunting for a suitable location than the situation warranted and felt that he had made a wise choice.

Not a "Pioneer"

He claimed tthat the post office could not "pioneer" in any degree as far as future development of the community was concerned and that the advantage for the N. Central Ave. spot was its accessibility to the present business district. A location that had been offered through William Lloyd of the Ainsley Corporation (on Campbell Ave. across from the medical buildings,) the inspector felt, was too far from the present business section of town.

He said that the postal department had attempted to obtain a land option for the old Methodist Church property across from the present location on Campbell Ave. but that their attempts were unsuccessful (It was understood this week that a party was now interested in obtaining and building on this property for the post office).

Dempsey also said that the preliminary plans drafted by the department would serve as a guide for the successful bidder and that the bid would include lease arrangements for 5, 10 or 15 years with the rental rate specified. He said it was felt that the 6000 square foot building planned would be adequate for at least 10 years and there was room for expansion.

He admitted that the street was quite narrow and that parking was a problem but that the department did not consider parking lots in requesting for bids. The plans also call for a 12-foot driveway on each side of the building for the large trucks to come in and that there would be 49-feet in the rear for parking of employees and for postal trucks.

Laying of Storm Drain to Close Hamilton Avenue

Barring rain next week Hamilton Ave., between Central Ave. and the Winchester Road, probably will be closed for the laying of storm drains, followed by widening of the street by some 20-feet, according to City Engineer Mark Thomas's office.

The closing of Hamilton Ave. will be necessitated by the laying of 42-foot concrete storm drain pipes. They will be stacked on the north side of the street and picked up and lowered into the ditch by a crane, which will have to reach across the right-of-way. The pipe will eventually extend down to the Los Gatos Creek, into which it will empty. The street will be re-opened as soon as the pipe laying job is completed.

If it doesn't rain, the job should take anywhere from two to three weeks ,according to Al Savio of the Mark Thomas Construction Co.

Detours around the closed avenue will probably be via Campbell Ave. and Central Ave., to keep traffic out of the residential streets between Hamilton and Campbell Avenues.

The drain job has been sub-contracted to the Frank Pisano Bros. Construction Co. by the Leo P. Piazza Construction Co. of San Jose, which has the contract for the widening of Hamilton Ave.

The widening job will follow the laying of the storm drains. The job is the first section of a plan which calls for eventual widening of Hamilton Ave. all the way down to the San Jose-Los Gatos Road.

Rotarians Honor Strongs on Their Golden Wedding

"I Love You Truly", in tribute to Mr. and Mrs. Ben Strong on observance of their golden wedding anniversary, was sung by Dr. Robert Jasmine at last Monday's Rotary Club meeting, when the Strongs were honored guests that day.

Student guest at the meeting was Christine Anderson, Campbell Union High School student, who was introduced by Bob Culp.

Tony Raffanti created quite a stir among fellow members with the "hole in one" he scored at La-Rinconada Golf Club recently and when asked how he did it, Tony said it was purely unintentional.

TELL US ABOUT IT, BEN . . . Merv Willoughby, (left) Rotary Club president, listens while Ben Strong thanks his fellow Rotarians for honoring him and Mrs. Strong (seated) on their Golden Wedding. Anniversary last Monday. At the Rotary Club luncheon the Strongs were present in almost full strength with five sons and one daughter present as guests of the club. (Story and picture on first page of second section)—Campbell Press photo.

Cost of Progress Is Awfully High, Claims Hamann

"Progress is good but is also very expensive but progress is the most important product Santa Clara County has to offer, although the cost comes awfully high. We are going to have growth and progress whether we like it or not".

So said A. P. (Dutch) Hamann, San Jose city manager, Tuesday night at the annual Campbell Chamber of Commerce dinner held in the Grammar School cafeteria. Hamann was the principal speaker at the affair which set a record for attendance.

Hamann in his talk maintained there was no such thing as isolation in Santa Clara County for what affects one part affects all. He mentioned that the county was growing at the rate of one new city the size of Santa Clara (30,000) every year and that the entire county was a part of the big picture.

"We can't buy something for nothing," he told his audience, "and the expense of this growth is tremendous".

It is too big for sectionalism and it is an all-county problem, he added and everyone seems to want progress, they also want trees, but nobody wants to pay.

Hamann pointed out that the only way that the needed improvements could be made would be bond issues and through progressive planning.

The meeting was presided over by Milton Nelson, president of the Campbell Chamber of Commerce and Judge Martin S. Walsh a C. of C. director, acted as master of ceremonies. Present also was John M. Chargin and members of the City Council, Supervisors Sam F. Della Maggiore and Oran L. Slaght, Russell Pettit, San Jose C. of C. manager.

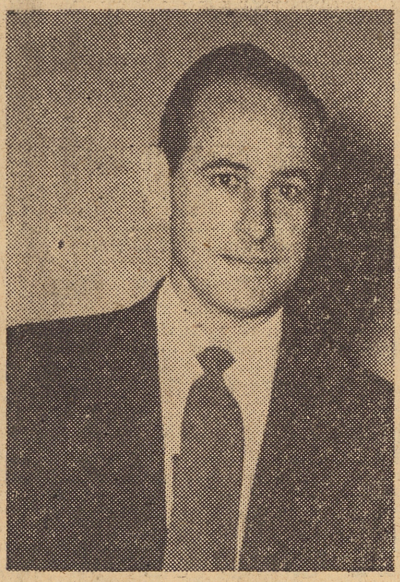
O. Jensen Takes Kiwanis Reins

Campbell Kiwanis Club turned the gavel over to Oliver Jensen last Tuesday when he took over the club presidency at installation ceremonies conducted by Dr. W. R. Morgan, past lieutenant governor of District 12. A former Campbell City councilman, Jensen is a building contractor and inspector. He succeeds Norm Corvello as Kiwanis president.

Others installed with Jensen were L. E. Means, vice president; Art Mayo, treasurer, and Henry Jewell, secretary.

New directors taking office were Howard Atkinson, Lowell Benson, Guy Farley, Carl Field, Wayne Fontes, Steve Goodman and Sam Reed.

Next week's program will include a talk by Mrs. W. R. Morgan on "Needs for Today". Mrs. Morgan is juvenile protection chairman for Sixth District, Parent Teachers Association.



SAMUEL D. O'BRIEN
. . . Heads Commission

Samuel D. O'Brien Heads Campbell City Planners

Samuel D. O'Brien, an attorney on the District Attorney's staff who has served on the Campbell Planning Commission since August, 1955, was elected the fifth chairman of the Commission for 1957 last Thursday night at the annual organization meeting.

O'Brien, with his wife Jeane and four children, Steven, Timothy, Peggy and Karen, have resided at 90 Hunt Way in Campbell since 1952. A graduate of the University of Santa Clara Law School in 1951, he has served on the District Attorney's staff for the past two years.

The new chairman, who succeeds Homer Hyde, was born in Salt Lake City but grew up in San Jose where he was graduated from San Jose High School. In addition to serving on the Planning Commission, O'Brien has been a member of the Campbell Youth Guidance Committee since its organization in February of last year. He served as vice-chairman of the Planning Commission last year.

Commissioner Les Harmon, who served as secretary of the Commission last year, was elected vice-chairman and City Clerk Dorothy Trevethan was named secretary.

The appointment of the city clerk as secretary marks a major change in the organizational set-up of the Commission. Prior to the change, a member of the Commission served as secretary, although the city clerk's office handled most of the paper work. As a rule, Evelyn Adamson, as deputy city clerk, acts as the Commission's secretary and will continue in the same role in the future.

The first chairman of the Planning Commission was Kenneth Priestley who was succeeded by John M. Chargin (now mayor). Homer Hyde followed Hollis Logue (whose term as commissioner has now expired) in the chair.

Who's on First?

For a while last Thursday night at the Planning Commission meeting it looked like too many runners were on first base.

The unscheduled traffic jam occurred when signals were crossed and just who was the rightful owner of a contemplated subdivision became the $64 question.

Pearce Davies, representing the Trojan Construction Co., arose to explain the map that had been submitted. But he was almost beaten to his feet by John J. Koss and Barney Martino of the Ad-Mor Enterprises who announced that their firm had purchased the land and had a different map to present.

It was all eventually straighened out when following Chairman Hyde's suggestion, the parties involved got together to decide just what was what.

The property had been recently sold, Davies told the Commission. He apologized for the confusion and said that he was withdrawing the original map because the new owners wanted to make some changes in it.

So all the runners got home safely.

Board Asks For Bids on Number 12

The Campbell Union Elementary School District called for bids this week on its Parkway school (number 12 for the district) which received the go-ahead signal last Monday from the State Allocations Board in Sacramento, according to C. E. Bradley, business manager of the school district.

Bids will be opened next Monday ni the District Office.

Bradley and District Superintendent William C. Henley were in Sacramento Monday when the Allocations board gave its okay on Parkway and a "tentative" approval on the Blackford school, which is to be built on an already purchased site in the Dover area. Bradley said that bids on Parkway school should be in by next week, with construction to probably start by the end of the month. It will be the 12th school in the district. The district currently operates 10 schools.

Construction on the 13th school, the Blackford school, located off Blackford Lane in the Dover Park District, should be under construction in the near future, according to Bradley.

He said that the construction of the Blackford school depends on the outcome of the February 5 $2 million dollar bond and $5 million dollar state aid election. The funds obtained will be used in part to construct seven new schools and purchase three more sites within the next five years. Included in the seven proposed are Parkway, Blackford, Hazelwood and Lynnhaven, (the 11th school).

The school will handle grades from kindergarten to sixth. It will consist of 19 classrooms, two kindergarten rooms, a multi-purpose room, an administration building, covered walkways and landscape development. The district expects to use only 10 of the 17 acres.

ODD FELLOW GETS 60 YEAR PIN . . . Charles Berry, member of Morning Light Lodge No 42, Odd Fellows, of Campbell, was feted by fellow members on December 30 when he was presented with his sixty year Odd Fellow Jewel. Present at the presentation were, left to right, T. A. Robinson, E. C. Merrill, J. H. Bachman, Walter W. Silberbauer, Charles Berry and A. E. Brydon. "Charlie", as he is known to all his friends, came to Campbell in April 1886 and served as Southern Pacific agent here for 43 years before his retirement in July 1929. He joined the Morning Light Lodge on December 31, 1896 and was secretary of the building committee for the present I.O.O.F. Hall which was erected in Campbell in 1902. Charlie observed his 93rd birthday on December 21.

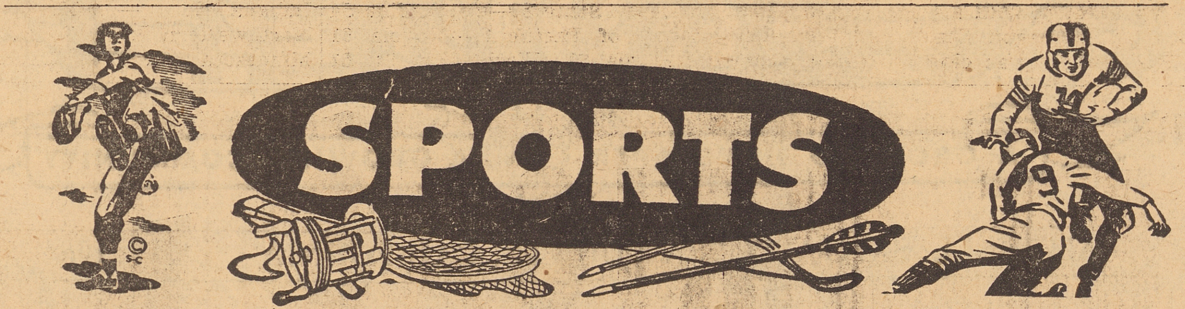
Campbell Meets Camden in First League Tilt on Friday



Intra-district rivalry will be launched tomorrow night in the Campbell High School Boys' Gymnasium when the Campbell Bucs and the Camden High School Cougar hoopsters clash in the first league competition between the two schools in their history.

Camden High School joined the Santa Clara Valley Athletic League for the first time this season. The school, since its opening three yars ago, has been independent in athletics except for its membership in the "little three league" last year. This consisted of Los Altos, Sunnyvale and Camden—which won the championship.

The game will be held in the Boys' Gymnasium at Campbell High School. The "B" game will start at 7:30 p.m., followed by the varsity tilt.

Campbell's record stands at three wins, six losses. They stopped Palo Alto last Wednesday 42-33. Camden has won two and lost four since the beginning of the season.

Sparkplugs of Campbell's squad are ex-footballers Jim Keech and Jerry Shenefiel of last year's junior varsity. Keech was tremendously impressive during the Santa Cruz Tourney, and especially in the Watsonville game, which Campbell, despite Keech's efforts, lost 52-51 in over time.

Leading the Bucs in pointmaking is forward Roger Almquist. He is the main Buc "name" threat, and is known by the opponents as the man to watch.

Center Gene Andres is the tallest man on the squad and a good rebounder. Guard Ron Rowe is exceptionally quick and a good ballhandler, but his slim frame (5'-11", 125 lbs) may not be able to take the pounding under the backboards.

ROGER ALMQUIST
. . . Buc Forward

The other guard, Gene Bowen, has been slow to come around since the end of football season, but is finally beginning to perform as expected. Bowen's seeming unconcern conceals a fierce competitive streak, as many teams in the league, especially Santa Cruz, will testify.

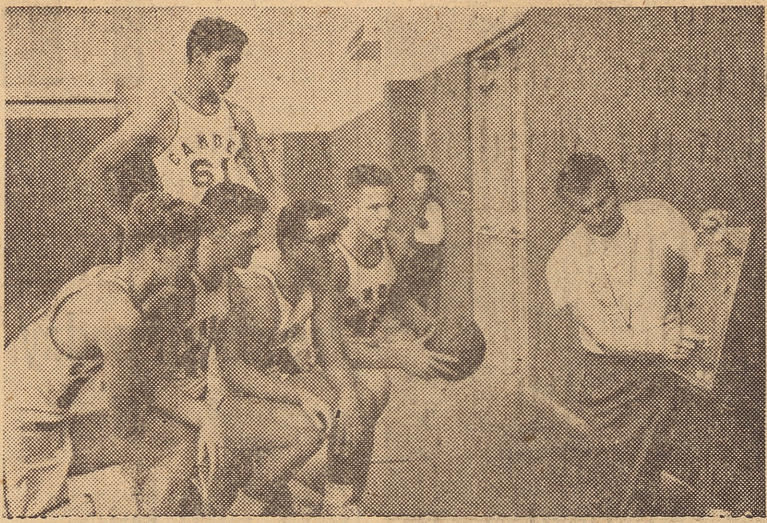
Coach Bert Robison of Campbell said that he "respects Camden as an opponent", and looks for a "tough battle" from them. He pointed out that they gave Lincoln a tough battle and only lost to Willow Glen by six points.

According to Coach Robison, tomorrow night's starting five against Camden are, Andres, 6'-3"-C; Almquist, 6'-1"-F; John Kriewall, 6'-3"-F; Shenifiel, 5'-10"-G; and Rowe, 5'-10"-G.

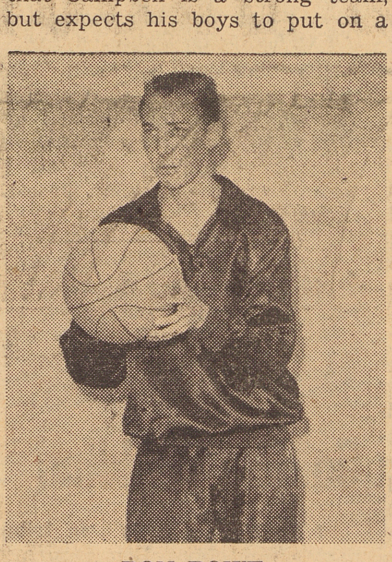
Starting five for the Cougars, according to Coach Chuck Crampton, are to be, Greg Rocha, 6'-3"-C; Mel Profit, 6'-3"-F; Lynn Gold, 6'-3"-F; Gene Citta, 5'-9"-G; and Don Staal, 6'-0"-G. Coach Crampton said that he recognizes that Campbell is a strong team, but expects his boys to put on a good showing.

Other members of the Buc squad this season are, Don Kitajima, Larry Webber, Art Hill, Richard Ferguson, Lee McNabb, Ted Lyman and Gary Richards.

Rounding out the Camden squad are, Tom Mc Callum, Bob Little, Richard Stoakes, Kevin Gugat, Dave Luhring, Jerry Gutman, Bradley Fragger, Steve Belser, Al Di Ponzi and Jerry North.



COUGAR TIPSTERS GET TIPS . . . Coach Chuck Crampton (right) of Camden High School goes over some strategy with members of the varsity. Left to right (kneeling) are, Lynn Gold, Don Staal, Gene Citta and Mel Profit. Standing behind (left) is Greg Rocha. The Cougars face the Campbell High Bucs tomorrow night in the first intra-district league competition game. The game is scheduled for 8:30 o'clock in the Campbell Boys' Gymnasium.



RON ROWE
. . . Buc Guard

SPORTS CLINIC STARTS

As part of a year-long celebration of its Centennial anniversary, San Jose State will sponsor a series of seven clinics in 10 sports and one in physical education during the winter and spring. Each clinic will be directed by a member of the Spartan staff but most will include lectures, demonstrations or exhibitions by experts from off the campus.

Spartan Cagers Play Two in L. A.

San Jose State Cagers fly to Los Angeles this week for a pair of California Basketball Association games with Loyola and Pepperdine. The Spartans meet the Lions Friday night at Loyola Gym; the Waves Saturday at the El Camino J. C. gym.

Walt McPherson's Spartans, with a 7-5 record, have split even in two CBA games thus far, losing to defending champion USF, 66-51, and defeating Pepperdine, 80-54. Loyola whipped Fresno 71-67, and lost to Pacific, 84-6 in weekend games while Pepperdine lost to Santa Clara, 73-54, in addition to the Spartan loss.

Campbell Prepares for Season

Practice Games Indicate that Bucs May Surprise in League Standings

By Richard Ferguson

Watsonville Goes Down

Campbell's 1957 varsity cagers proved to one and all that they were going to be a tough team in the SCVAL this year when they soundly trounced the Watsonville five 48-38 Saturday evening after falling prey to the Watsonville team at the Santa Cruz BB tourney. The entire Campbell team played a championship ball game as they sank some fantastic shots from a variety of angles.

Roger Almquist, Gene Andres and Ron Rowe shared the scoring punch with 8, 8 and 12 points respectively. Set plays were baffling the Watsonville cagers with Rowe cracking through the key hole for some fine drive ins. Almquist popped in jump shots with clear cut precision to cool off many Watsonville defenders. Gene Andres connected on a few well timed jump shots also. Jerry Shenefiel and John Kriewall added their vital touch to the team as the Bucs demolished the Watsonville five.

Ahead 34-17 at half time the Bucs didn't give an inch in the third quarter boosting the score to 45-24 by the end of the third canto. Coach Bert Robinson gave his starting five a well earned rest in the fourth quarter by playing his entire second string the full 8 minutes. Larry Weber, Art Hill, Gene Bowen, Jim Keech and Don Kitijima held up the red and blue to the end which saw the score 48-38 for Campbell.

This non league tilt ran the Bucs win loss record to 7 wins and 3 losses and gave a prelude to what is to come from the Bucs.

Santa Cruz Tops Bucs

Santa Cruz slipped past the Bucs on their home court Tuesday afternoon to make it one game apiece in their two games by a score of 37-35. Campbell previously defeated the Santa Cruz five 48-45 in the Santa Cruz Invitational tourney.

Hustle and the will to win gave the Santa Cruz cagers an easy victory over the overconfident Bucs. Santa Cruz started off fast scoring 9 points before the Bucs got into the scoring column. Nothing seemed to go right for the Bucs as they trailed 13-10 at half time. Santa Cruz opened a big gap in the third quarter only to have the Bucs come back strong in the final minutes of play and almost win the game.

Roger Almquist had an excellent night scoring 16 points to lead both teams in individual scoring. John Kriewall added 10 to the losers score with Gene Bowen tallying 4. Netto and Vega led the Santa Cruz cagers with 13 and 14 points respectively.

Bucs Down Palo Alto

Campbell's Buccaneers thumped the Palo Alto Vikings in their second meeting of the season 42-32 at Campbell last Tuesday afternoon. The Bucs barely edged by the Vikes in their first encounter at Palo Alto.

LOW DOWN ON SPORTS

By Marvin Moore

Baseball Loses Another Favorite

Jackie Robinson, versatile player of the Brooklyn Dodgers, retired from baseball to go into private business. Jackie will be remembered not only for his ball playing, but as being the first colored player to make an organized ball club.

Santa Clara Beats Pepperdine

The Santa Clara Broncos started their league play in Basketball by beating Pepperdine College. Santa Clara looks much better this year and would like to see them come out on top this season. This will be a tough go against U.S.F. but we can hope.

I'll take U. C. L. A. in the Pacific Coast Conference and Ohio State in the Big Ten.

Stanford Takes First Game

The Stanford Indians came through with a 60-58 win to upset the Oregon State Beavers. The contest was close with the score being tied 12 times during the game, but Stanford came through to start their season off right.

Basketball Scores

San Jose State 80—Pepperdine 54
College of Pacific 84—Loyola 61
California 61—Washington St. 51
Stanford 60—Oregon State Col 58
U. C. L. A. 69 — Idaho 68
Washington 80 — U. S. C. 78
Ohio State 72 — Iowa 60
Indiana 73 — Michigan 68
Northwestern 75 — Wisconsin 54
Minnesota 91 — Illinois 88

RING TOURNEY OPENS

San Jose State varsity boxing season will be launched Saturday in the 18th annual All-College boxing tournament at Spartan Gym starting at 8 p.m. Traditionally, the winners of the All-College tourney will constitute the Spartan varsity for the first regular meet. These winners will be paired against Parks, Fairfield and Travis Air Force Bases on January 18 in the opening meet for Coach Julie Menendez' Spar-

$16.5 Million Bond, State Aid Election Set for February 5

Voting places and officials have been designated for the February 5 special school bond and state aid election when Campbell Union High School District and Campbell Union Elementary School District will ask for a total of $16.5 million in state aid and bonds for school build-up.

The two school districts will hold a joint election, in that both will use the same ballot and voting places. It is the first coordinated election in the history of the two school districts.

The High School District will be asking voters to approve a $2,500,000 bond plus a seven million dollar state loan, payable over a 25 year period at five per cent interest.

The Elementary School District will be asking etlectors to okay a two million dollar bond, plus five million dollars in state aid.

The High School District funds will be used to construct three new high schools in the Campbell area by 1962.

The elementary district will use the state funds and bond money to purchase three additional sites for schools within the next five years, and to build seven new

Mads Petersen, 86 Claimed by Death

Mads Peterson, 86, of 65 Cherry Lane, died in his home on December 28, eight months after his wife's death in April, and shortly before the couple would have observed their 64th wedding anniversary.

A native of Denmark, Mr. Petersen came to this country in 1911 and was engaged in farming in Iowa and Minnesota before coming to California when he settled in Watsonville and farmed in that area until his retirement. He has lived in the Campbell area for five years. He was a member of the Danish Lodge in Watsonville.

He leaves five children, John E. Petersen of Campbell; Mrs. Carol Marrington of Watsonville; Mrs. Vernon Lee of Santa Cruz; Jake E. Petersen and Mrs. Guy McCammon of San Jose. He also leaves ten grand children and sixteen great grand children.

Services were held at 1 p.m. December 31 from Campbell Memorial Chapel, with interment following at Oak Hill Memorial Park.

Mrs. E. Arends Succumbs at 38

Mrs. Evelyn Arends, 38, died in Santa Barbara last Saturday after suffering a stroke.

A resident of Campbell for eight years before moving to Santa Barbara last year, Mrs. Arends was a member of Campbell Country Woman's Club and American Association of University Women in San Jose.

She leaves twin daughters, Evelyn and Gretchen, also her parents, Mr. and Mrs. Carl Roop of Cincinnati, Ohio and a sister, Mrs. Martha Coleman of Boulder, Colorado.

Services were held at 2 p.m. in Santa Barbara last Tuesday with interment at Richmond, Indiana.

Supervisors Give Big Sam Top Seat On Board Again

Sam F. Della Maggiore again is chairman of the Santa Clara County Board of Supervisors by a 4-0 vote of his fellow board members.—Supervisor Ed R. Levin withdrew from the voting.

Della Maggiore's nomination for the chair was made by Supervisor Oran L. Slaght. Under the rotation system usually followed it was Levin's turn to take the chairmanship. Levin is starting his fifth year on the Board and has not yet held the top post. He and Della Maggiore have been "feuding" for the past four years.

Levin led the way in deposing Della Maggiore last October from the center chair. At that time, Della Maggiore had perturbed Supervisors Arthur W. Brown, Walter S. Gaspar and Levin by criticizing them for their method of getting a proposed supervisorial pay increase on the general election ballot.

Gaspar, who did not run for reelection was replaced by Wesley L. (Bud) Hubbard as District 5 supervisor. He took his seat at noon last Monday and promptly seconded Slaght's nomination of Della Maggiore.

The massive 47-year-old Della Maggiore is in his fifth year on the Board. He is physical education instructor at San Jose High School, and manages a 40-acre prune and walnut orchard on Lucretia avenue.

Long-Time Area Residents Die

Joseph M. Mendonsa of 115 Kennedy Ave., Campbell, died December 31 in a San Jose hospital. He was 72, and had been an orchardist in this area for the past 38 years.

Mendonsa, who was a native of the Azores Islands, leaves his widow, Mary; a daughter, Mrs. Aname L. Pereira of Campbell; two sons, Anthony of San Jose, and Edmond of Martinez, and a brother and sister, both living in the Azores.

Services were held last Friday at the Mission Chapel of Rancadore and Alameda in San Jose. Requiem Mass followed at St. Lucy's Church in Campbell. Interment was at the Santa Clara Catholic Cemetery.

ADULT CENTER GIVES CLASS IN DRAFTING

Claude Cunningham, mechanical drawing instructor at Campbell High School, will teach a new class in drafting especially designed for industrial workers or persons desiring jobs as draftsmen, it was announced this week by the Campbell and Camden Adult Centers.

Both electrical and mechanical drafting will be covered in the course, according to Edward P. Stanley, Director of Adult Education, with separate classes in each as the enrollment grows.

Increased recruitment of draftsmen by industrial firms is given as the reason for opening these special classes. They are to be held at the Campbell Adult Center, 151 N. Winchester Road in Campbell—FR 8-0079.

Enrollment for the class began January 3 and will continue nightly each Monday, Tuesday and Thursday.

The California Crop and Livestock Reporting Service is a federal-state cooperative agency.

Finland, where coffee averages $4 per pound, is third in annual per capita consumption with 15.4 pounds.

OES HOLDS FIRST MEETING OF YEAR

Blue and gold, colors of their year, decorated the chapter room and banquet hall when Campbell Chapter 553, Order of Eastern Star held their first meeting of the year last Friday. Mrs. Harold Adams, Worthy Matron and Fred Johnson, Worthy Patron, presided.

Mrs. Vernon Suess, past Matron, and William Scott, past Patron, were honored. They presided over the Campbell Chapter in 1949.

San Jose Bank Records $8 Million Growth Last Year

The First National Bank of San Jose shows in its Statement of Condition that the bank had a growth of more than eight million dollars from December 31, 1955, to December 31, 1956. These are the highest figures published in the history of the bank.

Joseph Rogers, president, said that last year was a record year for loan service to Santa Clara Valley residents. Loans now total more than $41,660,000. This represents an increase of $5,653,000, or 15 per cent, over the same period from 1954-'55.

Demand Deposits increased by more than three and one half million dollars, according to Rogers. This brings the total deposits for the bank to a record high of $78,195,000, an increase of approximately 10 per cent over 1954-'55.

During the year, First National capital stock was increased one-third, bringing it to a total of two million dollars. The surplus was increased by $250,000. Government and municipal bonds increased $1,878,000 over 1054-'55.

Rogers pointed out that the total capital funds and reserves were increased $825,000 during the past year, making total capital funds of $4,740,861. This is the largest in recent years, amounting to more than 21 per cent.

The bank was recently the first in the area to raise its interest rate to three per cent.

FORUM TO PRESENT MIDDLE EAST TALK

A lecture entitled "The Middle East" will open the winter session of the Sunday Evening Forum on January 13. Speaker will be Philip Cummings, who will approach the subject from many angles, economic, geographical, sociological and international relations, among others.

Cummings was a one-time Economic Observer at the League of Nations. He has lived for five years in Spain, has spent much time in the Mediterranean countries and Africa, and has travelled in Australia and the Southwest Pacific. He presently maintains an office in Switzerland for research and liaison.

The lecture will be held at the First Methodist Church, Fifth and Santa Clara Streets, 7:30 p.m. The public is invited free of charge,

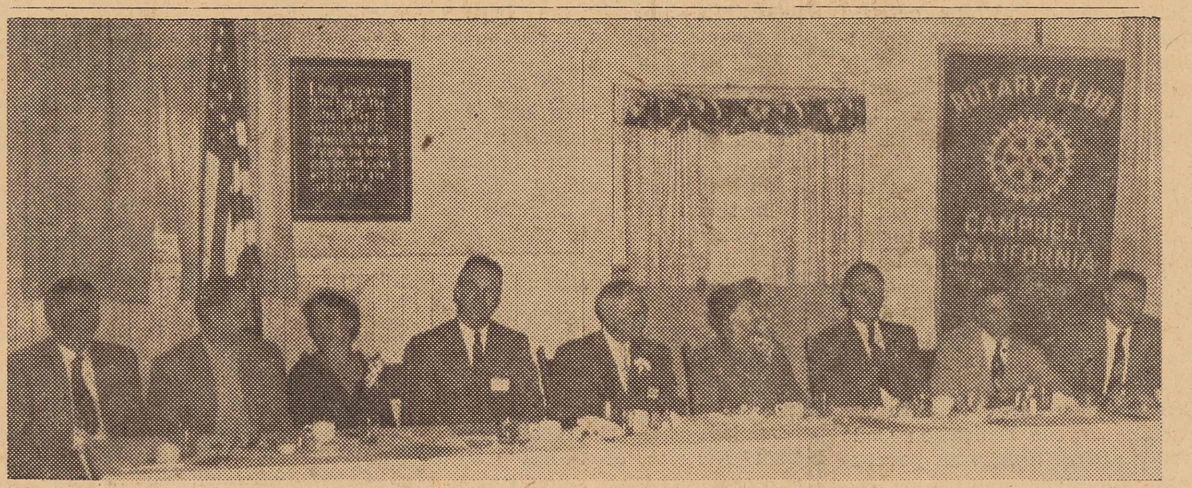
NEW ADULT COURSE OFFERED . . . Robert Thompson, instructor, left, goes over employee evaluation techniques with Harold Priestley, Helen Heinmann and Paul Johnson, group members at Camden Adult Center in "Self Improvement on the Job", the new course now being offered. The class is given on Tuesday evenings from 7 to 10 p.m., according to Edward P. Stanley, director of Adult Education.

CAMBRIAN 4-H CLUB MEETS December meeting of Cambrian 4-H Club was presided over by Barbara Donohue which preceded a film showing entitled "4-H Trail."

There was group singing and the evening ended with dancing and refreshments.

The group will meet tomorrow evening at 7:30 in the Cambrian Youth Center.



ROTARY HONORS HALF CENTURY MARRIAGE . . . Campbell Rotary Club last Monday paid tribute to golden wedding observance of one of its charter members when Mr. and Mrs. Ben Strong were honored at the Club's luncheon. All but one of the couple's children attended the luncheon. Left to right are: Ray and Doug Strong, Mrs. Evelyn (Strong) Shumway, Rotary president Merv Willoughby, Ben and Ellen Strong, Ken, Marvin and Bud Strong.

Ben Strongs Wed 50 Years This Month

A surprise luncheon in observance of the golden wedding anniversary of Mr. and Mrs. Ben Strong was held by Campbell Rotary Club last Monday when all but one of the couple's children attended.

Both natives of Minnesota, the Strongs were married in Minneapolis, Minnesota fifty years ago. In his early years Ben was a journeyman painter, both in Minneapolis where the couple lived until 1917, and in Montana. They lived in Montana for a time and then moved to Colorado where he was a painting contractor until 1937, when the couple moved to Campbell. Ben was a painting contractor in this area and eight years ago opened "Strong's Paint Company" here and three of his sons, Ray, Kenneth and Douglas are partners in the business.

Mrs. Strong likes to cook and homemaking is her main interest. Ben is a member of Campbell Rotary Club and has twice been on the board of directors of the club. He is also a member of the Campbell Chamber of Commerce and presently on its board of directors.

The couple, who make their home on California Ave. in Campbell, have seven children, all making their home in Campbell, except for one daughter. Ray, Kenneth and Douglas are in business with their father; Marvin is a painter at Agnews State Hospital; Richard is an engineer with the telephone company. One daughter, Mrs. Harold Shumway, lives in Campbell, and the other, Mrs. Alvin Stroehlky, lives in Canyon City, Colorado.

The couple have twelve grandchildren and four great grandchildren.

FHA Girls Yule Cheer Donors

FHA girls from Campbell Union High School did their bit to cheer women patients at County Hospital's North Hall when they presented each patient with apple Santa Clauses as bed stand favors. The girls had made the favors during their lunch hours.

Committee members who delivered the favors on December 20 were: Susan Nomura, Joyce Takano, Verla and Laura Raab and Sharon Bayles.

Another Christmas project of the girls was to provide a Christmas dinner, with all the trimmings, besides gifts, for the needy family which they "adopted" last year.

Faculty members donated funds toward purchase of the turkey and besides the Christmas dinner, girls donated staple food articles for the family.

Sonja Benson, Leora Scattini, Frances Rodriguez and Jeannette Hiland were on the committee in charge of the project, with Mrs. Adela Charlson and Miss Yvonne Waskow, home economics instructors, as co-advisers.

David and Michael Coleman had both sets of grandparents visiting their home over Christmas when Mr. and Mrs. Glenn Coleman and Mr. and Mrs. Frank Tessendore came to Campbell from Fresno over the holiday. David and Michael are sons of Mr. and Mrs. Ronald Coleman.

—o—

Mr. and Mrs. LeRoy Taylor, with daughter, Suzanne, will leave the latter part of next week to spend a few days at Long Beach. They will drive to Salinas where they will join with relatives who will accompany the Taylors to Long Beach where they will visit an uncle.

Ada Rebekahs to Install Officers

Mrs. Alice Weddell will be installed as Noble Grand of Campbell Ada Rebekah Lodge ceremonies in the IOOF Hall in Campbell next Tuesday evening when Mrs. J. O. V. Wynn, district party president of District 3, with her degree team, will install new officers:

MRS. ALICE WEDDELL
. . . Noble Grand

Other officers installed with Mrs. Wedell will be: Mrs. Kenneth Tuttle, junior Past Noble Grand; Mrs. Norman Handley, Vice Grand; Mrs. Lillian Ohlen, recording secretary; Mrs. Fred Carlton, financial secretary, and Mrs. Zadie Rice, treasurer.

Following appointive officers will also be installed: Mrs. Walter Wycoff, flag bearer; Mrs. Walter Silberbauer, right supporter to the Noble Grand; Mrs. William Bachman, left supporter to the Noble Grand; Mrs. John Morley, right supporter to vice grand; Mrs. Ralph Gardner, left supporter to Vice Grand; Mrs. Earl Barker, warden; Mrs. Gerald Estell, conductor; Mrs. Joseph Meckler, chaplain; Mrs. Monte Estabrook, organist; Mrs. Marguerite Gallagher, inside guardian; Mrs. Thomas Fladager, outside guardian; Mrs. Calvin Barnett, right altar bearer; Mrs. James Pursley, left altar bearer; Mrs. Fred Carlton, publicity chairman, and Walter Silberbauer, drill master.

Miss Yvonne Waskow spent Christmas with her family in Cedar Rapids, Iowa. Miss Waskow is a home economics teacher at Campbell Union High School and co-advisor of Future Homemakers of America.

—o—

Mrs. Frank Johnson was hostess at a Christmas tea in her Latimer Ave. home on December 19 when the following guests attended: Mesdames J. L. Robinson, W. Porter, Al Hall, George Stroope, C. H. Merrill, Charles Jones, Charles DeSelle, Harry Kahrmann, Gladys Brooks, Verna Billings, Earl Crumbliss and Harold Deach.

Campbell Register

Mrs. James Tate entertained forty friends and relatives at her 96 North First St. home on New Years day when they all gathered there for dinner. Friends and relatives came from Saratoga, Los Gatos, San Jose, Marin County, Richmond, Oakland and Campbell for the day.

—o—

Annual holiday season get-together of the Payne family was held on December 28 when children and grandchildren of Mrs. P. B. Payne, Sr. met at her South 4th St. home for a potluck dinner. Those attending were Perley and Diana Payne and youngsters, Jimmy and Ricky; W. C. and Helen Wrigglesworth and their Pat, Lyneva and Alan; W. G. and Carol Curtis with their five youngsters, Linda, Glenda, Jeffrey, Brian and Mark; Lewis and Ruth Reid and son, David; Howard and Carolyn Payne; also Howard and Louise Payne, brother and sister-in-law of Mrs. P. B. Payne, Sr. and their two grandchildren; and Mrs. Payne's nephew, Leland Robinson.

—o—

A family dinner in observance of his 80th birthday was held for E. C. Merrill on December 22, when his children and grandchildren gathered together to wish him many happy returns of the day. Present for the occasion, besides Mrs. Merrill, were: Mr. and Mrs. Wilbur (Elsie) Robinson and their two daughters, Carol Sue and Jean; Mr. and Mrs. E. A. Merrill with their son-in-law and daughter, Mr. and Mrs. Eddie (Marilyn) Merrill, and three sons, Roger, Jack and Dennis, and David Merrill of Richmond. A family Christmas gathering was held in the E. A. Merrill home on North Milton Ave. the following day.

—o—

George S. Robson of East Campbell Ave. spent Christmas holidays with his son-in-law and daughter, Mr. and Mrs. G. R. Ostrey in Chino.

—o—

It was a surprise birthday party last Monday night for Joe Calabray when Mr. and Mrs. Ralph Doetsch, Jr. were host and hostess for the affair. Surprise guest at the party was Joe's good friend, Woody Esposito, a race horse owner. Others attending the party were: Mrs. Calabray, Frank Doetsch, Mr. and Mrs. Richard Valentine, Mr. and Mrs. Frank Calabray, Easy Starkey, Philip and Joe Doetsch and Robert Calabray.

—o—

Dr. and Mrs. Lon S. McGirk, Jr. of Reno, Nevada, spent the holidays with their parents, Mr. and Mrs. Frank Blair of San Jose-Los Gatos Road.

ONE GOOD BUSINESS LEADS TO ANOTHER

The bright young fellow with the bucket knows a good business location when he sees one.

He's setting up near an established enterprise just as "grown up" businesses do, because that's where he'll have his best chance for success.

A company like Kaiser Aluminum & Chemical Corporation, for example, attracts many other businesses wherever its plants are located. Some manufacture aluminum products. Some offer vital plant services and equipment. Others supply the needs of Kaiser Aluminum employees and their families.

These new businesses assure a healthy growth for this community and contribute to its continuing prosperity.

Kaiser Aluminum

Our aim is always to be your good neighbor and a strong partner in the growth and prosperity of this area

LEGAL NOTICE

CAMPBELL UNION HIGH SCHOOL DISTRICT CONSOLIDATED SPECIAL BOND ELECTION AND SPECIAL APPORTIONMENT AUTHORIZATION ELECTION NOTICE.

NOTICE IS HEREBY GIVEN to the qualified electors of the Campbell Union High School District of Santa Clara County, State of California, that in accordance with the provisions of the Education Code of the State of California governing such elections, a special bond election and a special apportionment authorization election have been called to be held and the same will be held at the places hereinafter designated in said Campbell Union High School District of Santa Clara County, State of California, on Tuesday, February 5, 1957, from the hour of 7:00 o'clock A.M. of said day until the hour of 7:00 o'clock P.M. of said day, during which period of time the polls will be kept continuously open, at which time and places there will be submitted to the qualified electors of said Campbell Union High School District of Santa Clara County the following propositions:

PROPOSITION NO. 1

Shall the Campbell Union High School District of Santa Clara County incur a bonded indebtedness in the sum of Two Million Five Hundred Thousand Dollars ($2,500,000.00) for the purpose of raising money for the following purposes (which are hereby united and shall be voted upon as one single proposition), to-wit:

The purchasing of school lots.

The building or purchasing of school buildings.

The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.

The repairing, restoring, or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.

The supplying of school buildings with furniture or necessary apparatus of a permanent nature.

The permanent improvement of the school grounds.

The carrying out of the projects or purposes authorized in Section 18010 of the Education Code, to-wit: Providing sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

PROPOSITION NO. 2

Shall the Governing Board of the Campbell Union High School District of Santa Clara County be authorized to accept and expend an additional apportionment in an amount not to exceed Seven Million Dollars ($7,000,000.00) from the State of California under and subject to the provisions of Chapter 19 and/or Chapter 23 of Division 3 of the Education Code, or under and subject to the provisions of any subsequent chapter provided therein, which said sum of Seven Million Dollars ($7,000,000.00) is in addition to an apportionment of One Million Five Hundred Thousand Dollars ($1,500,000.00) previously approved by the electors of the Campbell Union High School District of Santa Clara County at a Special Apportionment Authorization Election held on the 12th day of June, 1956, both of which sums will be subject to repayment as provided for in Chapter 19 and/or Chapter 23 of Division 3 of the Education Code of the State of California, or as may be provided for in any subsequent chapter?

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent (5%) per annum, which interest shall be payable annually for the first year said bonds are to run and semi-annually thereafter.

The number of years the bonds, or any series thereof, are to run shall not exceed twenty-five (25) years from the date thereof or the date of such series thereof.

That the purposes enumerated in Proposition No. 1 are hereby united and shall be voted upon as a single proposition.

That the special bond election hereby called has been and the same is hereby consolidated with the special apportionment authorization election hereby called within the territory affected by said consolidation, to-wit, the Campbell Union High School District of Santa Clara County; that the election precincts, polling places and voting booths shall be the same, and only one form of ballot shall be used thereat, which shall be in the form provided by the Board of Trustees of Campbell Union High School District of Santa Clara County for use at said consolidated special bond election and special apportionment authorization election on which shall be set forth the propositions hereby submitted to the qualified electors of said school district. That the election officers shall be the same for each election and that said election shall be held in all respects as if there were only one election.

That the polling places hereinafter mentioned are hereby designated and selected by the Board of Trustees of the Campbell Union High School District of Santa Clara County as the places within said Campbell Union High School District of Santa Clara County, State of California, where such election must and will be held.

For the purpose of holding said consolidated election, the Campbell Union High School District shall be and it is hereby divided into sixteen special election precincts, numbered from 1 to 16, consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said Campbell Union High School District, and of their respective special election precincts are hereby appointed officers of election, as hereinafter designated to serve in their respective special election precincts as hereinafter set forth; and said officers of election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

LEGAL NOTICE

CAMPBELL UNION SCHOOL DISTRICT CONSOLIDATED SPECIAL BOND ELECTION AND SPECIAL APPORTIONMENT AUTHORIZATION ELECTION NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of the Campbell Union School District of Santa Clara County, State of California, that in accordance with the provisions of the Education Code of the State of California governing such elections, a special bond election and a special apportionment authorization election have been called to be held and the same will be held at the places hereinafter designated in said Campbell Union School District of Santa Clara County, State of California, on Tuesday, February 5, 1957, from the hour of 7:00 o'clock A.M. of said day until the hour of 7:00 o'clock P.M. of said day, during which period of time the polls will be kept continuously open, at which time and places there will be submitted to the qualified electors of said Campbell Union School District of Santa Clara County the following propositions:

PROPOSITION NO. 1

Shall the Campbell Union School District of Santa Clara County incur a bonded indebtedness in the sum of Two Million Dollars ($2,000,000.00) for the purpose of raising money for the following purposes (which are hereby united and shall be voted upon as one single proposition), to-wit:

The purchasing of school lots.

The building or purchasing of school buildings.

The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs.

The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.

The supplying of school buildings with furniture or necessary apparatus of a permanent nature.

The permanent improvement of the school grounds.

The carrying out of the projects or purposes authorized in Section 18010 of the Education Code, to-wit: Providing sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

PROPOSITION NO. 2

Shall the Governing Board of the Campbell Union School District of Santa Clara County be authorized to accept and expend an additional apportionment in an amount not to exceed Five Million Dollars ($5,000,000.00) from the State of California under and subject to the provisions of Chapter 19 and/or Chapter 23 of Division 3 of the Education Code, or under and subject to the provisions of any subsequent chapter provided therein, which said sum of Five Million Dollars ($5,000,000.00) is in addition to an apportionment of One Million Eight Hundred Thousand Dollars ($1,800,000.00) previously approved by the electors of the Campbell Union School District of Santa Clara County at a Special Apportionment Authorization Election held on the 12th day of January, 1956, both of which sums will be subject to repayment as provided for in Chapter 19 and/or Chapter 23 of Division 3 of the Education Code of the State of California, or as may be provided for in any subsequent chapter?

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent (5%) per annum, which interest shall be payable annually for the first year said bonds are to run and semi-annually thereafter.

The number of years the bonds, or any series thereof, are to run shall not exceed twenty-five (25) years from the date thereof or the date of such series thereof.

That the purposes enumerated in Proposition No. 1 are hereby united and shall be voted upon as a single proposition.

That the special bond election hereby called has been and the same is hereby consolidated with the special apportionment authorization election hereby called within the territory affected by said consolidation, to wit: the Campbell Union School District of Santa Clara County; that the election precincts, polling places and voting booths shall be the same, and only one form of ballot shall be used thereat, which shall be in the form provided by the Board of Trustees of the Campbell Union School District of Santa Clara County for use at said consolidated special bond election and special apportionment authorization etlection on which shall be set forth the propositions hereby submitted to the qualified electors of said school district. That the election officers shall be the same for each election and that said election shall be held in all respects as if there were only one election.

That the polling places hereinafter mentioned are hereby designated and selected by the Board of Trustees of the Campbell Union School District of Santa Clara County as the places within said Campbell Union School District of Santa Clara County, State of California, where such elections must and will be held.

For the purpose of holding said consolidated election, the Campbell Union School District shall be and it is hereby divided into nine special election precincts, numbered from 1 to 9, consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said Campbell Union School District, and of their respective special election precincts, are hereby appointed officers of election, as hereinafter designated, to serve in their respective special election precincts as hereinafter set forth; and said officers of election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

SPECIAL ELECTION PRECINCT NO. 1

shall include all those portions of County Election Precincts: Maypark 2; San Jose 202, 230, 231, 249; lying within the boundaries of the Campbell Union School District.

LEGAL NOTICE

CAMPBELL UNION SCHOOL DISTRICT

Santa Clara County

NOTICE TO CONTRACTORS

The Board of Trustees of the Campbell Union School District of Santa Clara County, State of California, invites and will receive sealed proposals up until 3:00 P. M., January 14, 1957, at the office of the said Board at 155 North Third Street, Campbell, California, at which time and place bids will be opened and read in public, for furnishing all labor and materials for construction of:

Parkway Elementary School to be located on Saratoga Avenue at Forest Avenue, Santa Clara County, California, and consisting of:

Eight (8) Classrooms, Two (2) Kindergartens, Adminnstrative Offices, Multi-Use Room with Kitchen, Toilets, Heater and Storage Rooms, Covered Corridors and On-Site Development.

Work must be done in strict accordance with plans and specifications prepared by and obtainable at the office of the Architects, Higgins and Root, A.I.A., 220 Meridian Road at Park Avenue, San Jose 26, California.

A deposit of $25.00 per set will be required of all contractors receiving plans, said deposit to be returned by the Architect when plans and specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architect. No bidder may withdraw his bid for a period of one week following the action of the State Allocations Board.

The Board of Trustees reserves the right to reject any or all bids and to waive any informality in any bid received..

Cashier's or certified check or bidder's bond in the amount of ten (10%) per cent of the bid shall accompany the proposal, drawn to the order of the Campbell Union School District as a guarantee that the Bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees in accordance therewith.

The successful Bidder will be required to furnish a bond for faithful performance in the amount of 100% of the contract price, and a bond for material and labor in the amount of 100% of the contract price.

The work to be performed under this contract shall commence at once and shall be substantially completed by September 10, 1957.

Should said work not be comcompleted within the time hereinabove stated, there will be deducted from the final payment the sum of Twenty-five ($25.00) Dollars per day as liquidated damages, but not as a penalty, for each days delay after the expiration of such period until the final physical completion of the work and its delivery to said Owner.

Workmen employed on said work must be paid in accordance with the prevailing scale of wages adopted by the Board of Supervisors of Santa Clara County, July 23, 1956, on file in the office thereof, example as follows:

Carpenters: Journeymen	$3.00
Cement Finishers	2.995
Electrical Workers	3.61
Glaziers	2.675
Painters: 7 hr. day	3.10
Plasterers	3.43
Plumbers	3.425

Ordinary overtime, one and one-half times the above rate; legal holidays, Saturdays and Sundays where crafts work a five-day week and/or where schedule of crafts so provide, overtime shall be paid at the rate of double time excpet for watchmen, guards, and flagmen. Double payment for holidays and overtime shall be in accordance with rates fixed by schedule adopted by the Board of Supervisors of Santa Clara County to which reference is hereby made for any rate of payment not herein specified.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

The Board of Trustees of Campbell Union School District of Santa Clara County, California.

DONALD C. HARTMAN
Clerk of Said Board

Pub. Dec. 27, 1956 and Jan. 3 and 10, 1957.

LEGAL NOTICE

NOTICE OF HEARING OF PETITION TO ANNEX CONTIGUOUS TERRITORY TO THE WILLOW GLEN LIGHTING DISTRICT OF SANTA CLARA COUNTY

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the Conuty of Santa Clara, State of California, did, at a meeting of said Board held on the 31st day of December, 1956, pass a Resolution fixing the time and place for hearing of the petition to annex contiguous territory to the Willow Glen Lighting District of Santa Clara County, which District has been formed pursuant to California Streets and Highway Code, Division 14, Part 4, and which said Resolution did fix Monday, the 21st day of January, 1957, at the hour of 11:00 o'clock A. M. of said day, at the Chambers of Said Board of Supervisors in the Civic Center Building, North First and Rosa Streets, in the City of San Jose, County of Santa Clara, State of California, as the time and place for hearing said petition;

And pursuant to the foregoing Resolution above described, NOTICE IS HEREBY GIVEN that Monday, the 21st day of January, 1957, at the hour of 11:00 o'clock A.M. of that day at the Chambers of the Board of Supervisors in the Civic Center Building, North First and Rosa Streets, in the City of San Jose, County of Santa Clara, State of California, has been fixed as the time and place for hearing said petition.

The territory proposed to be annexed to said Lighting District is particularly described as follows:

All that certain real property situate and being in the County of Santa Clara, State of California, more particularly described as follows, to-wit:

Beginning at the point of intersection of the center line of Hamilton Avenue, said line being a line of the Willow Glen Lighting District, with the west line of Grace Avenue as said Grace Avenue is shown on the map of Tract No. 1143, Hamilton Manor recorded in Book 42 of maps at page 25 in the Office of the Recorder of the County of Santa Clara, State of California; thence westerly along said center line of Hamilton Avenue, a line of said Lighting District, to the center line of Phantom Avenue as shown on said map of said Tract No. 1143; thence northerly along said center line of Phantom Avenue to the easterly prolonogatiion of the northerly line of Lot 9 on said map of said Tract No. 1143; thence prolonogation and along said westerly along said easterly northerly line of said Lot 9, to the westerly line of said Tract No. 1143; thence northerly along the westerly line of said Tract No. 1143 and along the westerly line of Tract No. 889, Blackford Manor as shown on the map recorded in Book 51 of maps at page 46, in the Office of the County Recorder of the County of Santa Clara, State of California and along the northerly prolongation of said westerly line of said Trace No. 889, to the center line of Blackford Lane being a line of said Lighting District; thence easterly along said line of said Lighting District to a corner in said Lighting District Boundary line, said corner being in a line 208 feet westerly measured at right angles from the westerly line of Meridian Road; thence southerly along said line of said Lighting District to a corner in said Lighting District Boundary line, said line being northerly 208 feet measured at right angles from the northerly line of said Hamilton Avenue; thence westerly along said Lighting District line to the westerly line of Grace Avenue; thence southerly along said westerly line of Grace Avenue to the point of beginning of this description.

BY ORDER OF THE BOARD OF SUPERVISORS.

Dated December 31, 1956.

RICHARD OLSON
Clerk of the Board of Supervisors of the County of Santa Clara, State of California.

EDITORIAL

It's Worth Another Look

Recently the Campbell Planning Commission approved the application for a use permit to construct the new Campbell post office on North Central Ave. near Grant Ave.

Although the postal officials have taken a land option on the site, subject to the use permit, it does not necessarily follow, we understand, that the post office will be built there.

In effect the postal officials have said that they would be willing to have the post office at the location provided some individual would construct a building, according to their specifications, and then lease it to the post office department.

We understand that other locations have been suggested to the post office department but so far they are leaning toward the North Central site.

It is our candid opinion that the disadvantages of the North Central Ave. spot far outnumber the advantages. We sincerely hope that the postal officials who are responsible for relocating the post office take another look at all the factors before making their final decision.

We are convinced that they will find that there are many more suitable locations available in town.

We think it is very important as far as this community is concerned that some thought be given as how such a building as a post office will fit into the general picture of the future. Locating the office on Central Ave., it seems to us, defeats any overall plan.

We wish the postal boys would look around town again before the new year gets too far underway.

An Overall Plan Is Needed

From time to time the Campbell Planning Commission is faced with the complex problem of changing the zoning of a specific area from one type to another. The mechanics involved to make the zoning change are relatively simple| But often this change can have far-reaching results.

The Planners, of course, more often than they would like to have it, are placed in the unenviable position of being wrong sometimes when they are right.

Often these zone change requests are made by residents whose sole idea is to better their pocketbooks and develop an excellent case for themselves. But these same people are prone to overlook what has been termed the "big picture" or what such a change would mean to the community in the future.

Thus when the Planners attempt to take into consideration what effect a zone change would have on the future of the community, they are open to criticism from those who are requesting the modification.

It is the Planning Commission's job to develop some sort of an overall future plan or pattern for the community. But their task is made extremely difficult in the face of the everyday selfish interest of those who are thinking only of themselves.

The Planners have a difficult task and chances are they will never be voted the most popular people in town.

We have been critical of some of the actions of the Commission in the past and we will probably jump on them again. Yet we are convinced that a sincere group of City Planners have an important part to play in the future welfare of the community. They should not waver from their policies despite the pressure that can be brought to bear on them.

Provided. and we must emphasize this, provided there is an overall pattern. a master plan, a goal, and objective. Without such a plan or goal, a Planning Commission is defeating its own objectives.

At the present time, Campbell actually has no master plan as such. Apparently one's guess on the subject of the future development is just as good as any other.

A case in point is the location of the new post office in town.

Assuming that accessibility to the business district is one of the reasons that the new site for the post office has been selected—can anyone say in the face of the rapid development how long the present business district as such will remain as is?

But, if there was a master plan to go by, there would be no question where the post office should go or whether a certain zone should remain commercial or be chanaged to residential or vice versa.

Right now the Planning Commission (and all others who have the interest of the city at heart) are steering their course by the seat of their pants and more or less are playing by ear.

If ever a community needed some objective planning, it is Campbell.

OUT on the LIMB
with
George Vierhus

One would think that with all the experience we have had in taking pictures for newspapers we should be in a position to never make a mistake. But that is far from the truth.

There are so darn many things to check on a camera before the actual snapping of a picture that we find that we sometimes overlook one or two of 'em. Consequently the results sometimes show our oversight. Much to our chagrin.

A case in point was last Sunday at the dedication of the new City Hall.

We were snapping pictures like mad all over the joint. It was quite an occasion and one that we wanted to record on film for posterity or any one else who was interested. We also wanted, of course, to use some of the shots for The Campbell Press which, after all, was the main reason we attended the affair with our wife, camera, and all the paraphernalia that is necessary when shooting pictures.

The results of Sunday's shooting left much to be desired in the way of photography.

If it is any satisfaction we know now what went wrong. But we can't very well have the City Fathers restage the dedication ceremonies.

We lay no claims to being a "pro" when it comes to taking pictures but we must admit that we have been exposed to such goings-on for such a long time that we should begin to know what it is all about by now.

As a matter of fact, we have been very pleased with the majority of our forays into lens-world.

But we could have sat down and cried about Sunday's efforts. They were that bad. And only because one tiny little adjustment had not been made.

—o—

We are sorry that the pictures did not come out because they would have told the story of the dedication better than we can by mere words. The program was impressive, simple and effective and an overflow crowd was in attendance.

The new City Hall is a building that we all can point to with pride.

Those who were in the crowd last Sunday we are sure will wholeheartedly agree.

—o—

We are happy to note that youngsters in school in this area are beginning to become conscious of the important part a community newspaper plays in current events on a local plane.

One of the recent assignments of a class was to obtain information on the local city government and the local newspaper was rightfully listed as one of the principal sources for this information.

Consequently we have been flooded by requests of the youngsters to furnish them with the necessary data so that they could complete their assignment.

We were pleased to be of service to the kids but it took a little bit of explaining to show that our function as a community newspaper was to report a "running account" of what was going on community-wide and that no one issue would contain all the information that the students needed. But, if the paper was doing its job, the dope was all in the files. But it would take a little digging to get it out.

—o—

We have long been convinced that the community newspaper and the schools have a great deal in common. By the same token we have long felt that neither the newspapers nor the schools were taking full advantage of the opportunity to utilize the resources at their command.

There are many ways by which the community newspaper can serve as a supplementary textbook on civics, government and social science.

We have suggested to Superintendent Bill Henley and his staff that we would be "raring to go" on some such cooperative project by which the paper could play a more active role in assisting the youngsters in developing into full-fledged citizens.

We sincerely hope that the school officials will agree to a program whereby the youngsters will not only learn the function of a community newspaper but possibly could have a part to play in its production and thus gain a more complete knowledge of their responsibility of citizens. There is also a knack, often overlooked, of how to read a newspaper.

—o—

But requests for help at our office don't just come from grammar school kids.

The Press has also received requests for information from college students. Generally these requests are technical in nature and are from students either majoring in journalism or doing graduate work in the field.

Just last week, for example, we received questionnaires from two college students thousands of miles apart.

—o—

One came from Wilbur Sims, a graduate journalism student at Ohio University, who enclosed a professional-type questionnaire (which we completed) on the type of news coverage our paper was giving local government. He also enclosed a news release which we could use and gummed labels which we could stick on the current issues and mail to him. We were happy to oblige.

Another request came from Prosper Hugon, Jr., a senior student in printing engineering at Cal Poly in San Luis Obispo. He was preparing a report entitled, "Commercial Printing . . . a money-making aid to weekly newspapers".

In his note Prosper wrote that to increase the effectiveness of his report, authoritative information was required.

We hope we gave him the correct answers because we are always interested in this "money-making aid" idea.

We don't know of a single weekly newspaper that couldn't use some sort of an aid to "money-making".

Outside of printing the green stuff that is.

To love the public, to study universal good, and to promote the interest of the whole world, as far as it lies in our power, is the height of goodness, and makes that temper which we call d-vine.

Union Oil Shifts To Newspaper Ads

Union Oil Company of California, one of the nation's largest advertisers, has cancelled all billboard advertising and will increase substantialy its newspaper campaigns in both dailies and selected weeklies, according to Reese H. Taylor, chairman of the board.

Among the weekly newspapers selected to carry Union Oil's advertising in 1957 is the Campbell Press.

"Two factors were of primary concern to Union Oil in reaching the decision to abandon billboard advertising," explained Taylor.

"First is the traffic hazard which a great many experts have indicated billboards tend to increase.

Second is an apparent and growing resentment on the part of many people and residential communities to obscuring the beauty of our natural landscape with this type of advertising.

Philanthropy is almost the only virtue which is sufficiently appreciated by mankind. —Thoreau

There is an old saying that charity begins at home; but this is no reason it should not go abroad. —Cumberland

Number of Businesses in Campbell Increase 140.5% in Last Ten Years

The City of Campbell enjoyed a 140.5 per cent growth in the number of businesses in 1956 over 1946, according to a report released by Dun and Bradstreet. Listings of businesses in Campbell in 1946 were 69, as opposed to 1956 listings of 166 businesses.

The figures are based upon November, 1956 Dun and Bradstreet Reference Book. It lists only manufacturers, wholesalers, retailers and some service companies, such as gasoline service stations and laundries. It does not include all professional and service businesses, such as barber and beauty shops, real estate offices and stock brokerages.

Santa Clara county realized a 43.9 per cent increase in the number of businesses for the ten-year period. "There are 6,170 businesses listed this year in Santa Clara County, which is an increase of 1,885 businesses over 1946," R. F. Cathcart, district manager of the San Francisco office of Dun and Bradstreet, pointed out.

Enlarging the picture further, Northern California's 47 counties experienced a 16.1 per cent growth of businesses in the period, according to the Reference Book.

Basing his facts upon figures in the Reference Book, Cathcart points out that the cities of Campbell, Los Altos, Cupertino and Santa Clara recorded phenomenal growth for the ten-year period.

Following are the comparative statistics on growth and industrial development over the last year in certain County cities, based on the Reference Book:

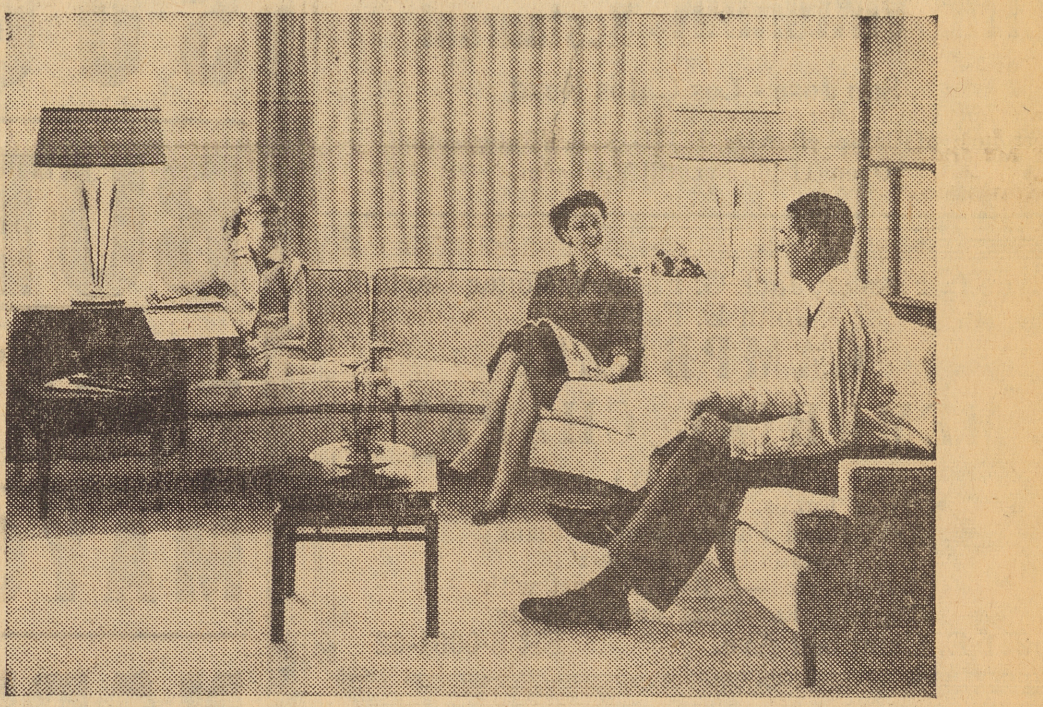
	1946	1956	Increase %
Cupertino	25	166	140.5
Gilroy	86	210	144.2
Los Altos	53	246	364.1
Los Gatos	171	317	85.3
Morgan Hill	59	97	64.4
Mtn. View	233	403	72.9
Palo Alto	650	906	39.3
San Jose	2,445	2,786	13.9
Sunnyvale	157	295	87.8
Santa Clara	234	446	90.5

CROSS-COUNTRY

The first transcontinental automobile trip in the United States was made in 1903, reports the California State Automobile Association.

from P. G. and E., a new idea in home lighting

Make your living room larger··with light!



The secret: Flood the room with soft, glare-free light — *cheerful* light that lifts ceilings . . . pushes walls back . . . gives the room that light, airy feeling that comes with floor-to-ceiling windows all around. Here's how to get started:

(1) *Count your lamps.* It takes at least five lamps to light the average living room satisfactorily. Lamp shades should be white inside and open at the top for upward lighting.

(2) *Check light bulbs.* Table lamps should have bulbs totalling at least 150-watts; floor lamps, 300-watts.

(3) *Balance the light.* Place lamps so light fills the room *evenly*—reducing shadows, cutting down harsh glare.

With P. G. and E.'s low rates for electricity you can easily have better light, brighter living in *every* room in your home! Why not start right away?

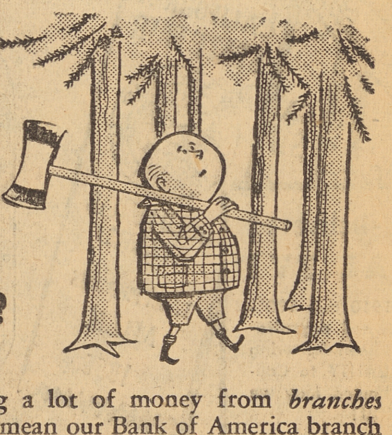
HOW DO YOU ADD UP A YEAR?

Was '56 the year you bought a new house? Had a baby? Landed a new and better job? Or, if you're a youngster, sprouted up a little taller? Sure—there are lots of different ways you can add up a year. Bank of America likes to measure a year by *how much* it improves its service to Californians. Last year, for example, we made banking more *convenient* for thousands throughout the state by opening 31 new branches—including our 600th, opened last month in San Mateo. As a result, our bank continues to show a healthy growth in resources. Bank of America's year-end statement of condition, dated December 31, showed our dollar resources at an all-time high of $9,991,842,011.70!



MONEY DOESN'T GROW ON TREES?

Well, people are getting a lot of money from *branches* right now. Of course, we mean our Bank of America branch and all the other branches throughout California. You see, Bank of America is now adding a total of more than $30 million in *interest* to its customers' savings accounts. This happens every six months, and makes a tidy addition to savings people are tucking away in Bank of America—for emergency funds, college educations, new homes and other worthwhile future needs. Good reason to open a savings account at our bank, isn't it?

B of A Quiz Corner

DID YOU KNOW THAT if you have a checking account at our bank we will, at your request, *automatically* transfer funds to your savings account at regular intervals. It's a handy, sure way to build up your savings at Bank of America, where you always know your savings are safe . . . available . . . convenient!

CAMPBELL REGISTER

It was open house at the H. B. Edwards East Campbell Ave. home when their many children and grandchildren stopped in to wish them a happy holiday. Out of town visitors included their son David, and family from Stockton and grandson, Davil Coffee, who returned to his parents' Cupertino home on Christmas Eve, after spending more than two years in Germany with the U.S. Army. Interesting Christmas display in their home was Mrs. Edwards' "Candy Kitchen" set up in the dining room, using a manzanita branch adorned with glimmer lights, in the background, and her collection of antique candy jars and a collection of old-fashioned Christmas candies from several different countries. They had their Christmas dinner with a daughter and son-in-law, Mr. and Mrs. Les Heineman in San Jose.

—o—

It was a summery Christmas for Mrs. Lydia Poindexter who flew down to Fullerton to spend a few days with her brother, George Vohs and wife and many nieces and nephews. The temperature ranged from 90 to 95 degrees during her stay. On her return last Sunday, Mrs. Poindexter flew the coast route, right over the big fire in the Malibu area and she said it was a terrible sight.

—o—

Kenneth Hill, who has been studying aeronautical engineering at Cal-Poly, has enlisted in the Air Force and is home to spend the holidays with his mother, Mrs. Irene Hill, and brothers before going to Lackland Air Force Base near San Antonio, Texas, on January 1.

RIGHT OF WAY

About 30 acres per mile of freeway are taken fro rights-of1way, plus about 20 acres for each interchange structure, reports the California State Automobile Association.

Miss Winnie Grizzle, who returned home on December 17 after undergoing surgery at Stanford University in San Francisco, spent Christmas day with her cousin and wife, Mr. and Mrs. Elver M. Griswold in Los Gatos. Her brother and sister-in-law, Mr. and Mrs. Claude Grizzle were also there.

Cambrianettes Start New Classes

Sewing, painting and sketching are morning classes now being offered to interested women by the YWCA's Cambrianettes.

Classes meet Tuesdays from 10 a.m. to noon at the Cambrian Park Methodist Church, Gunston and Wyrick, just off Cole Drive.

Mrs. Ruth Moscrop, who has been a professional seamstress for 13 years and who served as a tailor for the Navy during World War II, will teach sewing, beginning, advanced or intermediate, and give tailoring instruction.

Painting and sketching will be taught by Mrs. Janet Northup, a San Jose State graduate in commercial art. She has been studying in recent years at Montalvo under Warran Faus and belongs to a group of young mothers who paint at home and meet every two weeks for a criticism of their work.

Copper enamel is also available.

Details may be secured by phoning the San Jose YWCA, CYpress 2-5727; Mrs. Edward Beckman, ESsex 7-2527; or Mrs. Paul Barton, ESsex 7-0148.

Class fees are 30 cents per lesson or $1.50 for six. Child care is provided at 30 cents for one child and 15 cents for each additional child in the same family.

Classes are designed to teach and to give women an opportunity to get acquainted and to get out of the house.

Youth Group Has New Year's Party

Young people of the First Christian Church of Campbell observed New Year's Eve with a progressive dinner party which began at the Clifford Thompson home at 6:30 p.m. followed with the second course at the John S. Duckett home where they were also entertained with guitar playing by John Duckett and singing by Mrs. Duckett.

Ronnie Landers was heard in a vocal solo and Sharon Womack played the piano. There was group singing and Mrs. Duckett ended the entertainment with a reading, "A New Year's Deed".

The Jay Landers home was next in the group's progress where hamburgers with all the trimmings, and punch, were served. At the Bob Watson home the group enjoyed party snacks and stayed for a bit of group singing.

Dessert was served at the Dick Durmois home and Dick played some of his phonograph records for the group, including some Elvis Presley records.

Last stop for the evening was at the home of their sponsors, Mr. and Mrs. O. M. Cox, where more snacks were served and the group took part in a short devotional service just before midnight. Firecrackers and other noise makers were used to herald in the new year at midnight.

SJSC TO PRESENT PLAY OVER KNTV

A major event of the Centennial Year Celebration at San Jose State College will be the presentation of the classic play, "The Tragical History of Doctor Faustus" over KNTV (channel 11, San Jose), from 7 to 8 p.m. on January 13.

The story deals with a learned man's desire for all the knowledge in the world, and the selling of his soul to the Devil in exchange for 20 years of unlimited learning.

COMING EVENTS

CHURCH NEWS

Congregational Church

Guest minister at next Sunday morning services at the Congregational Church will be the Rev. Kenneth L. Stokes of Miles City, Montana. Rev. Stokes is minister of the new Congregational Church in Miles City and is the home missionary project of the local church.

Every Sunday evening from 7 to 8:15 p.m., Dr. Corwin Olds will conduct a Bible class in the church.

Starting this week a teachers' training class will be conducted at the church every Monday afternoon at 3:45. All who are interested in teaching in the church school are welcome. Transportation will be provided, if needed.

—o—

Christian Science

The answer to mankind's great need of purity and regeneration will be emphasized at Christian Science services this Sunday. Keynoting the Lesson-Sermon on "Sacrament" is the Golden Text from Psalms (24:3, 4): "Who shall ascend into the hill of the Lord? or who shall stand in his holy place? He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully."

—o—

Prince of Peace Lutheran Church

Sermons for the year 1957 will in general be based on the regular Epistle Lessons recommended for each Sunday. The text for the first Sunday after Epiphany is Romans 12:1-5 and Pastor Werner Welchert will preach on the theme, "As a Living Sacrifice", at next Sunday morning's services.

A congregational family supper will be held Sunday starting at 5:30 p.m. at the Saratoga Foothill Club. The first annual congregational meeting will be held right after the dinner. During the meeting, children will be entertained in an adjoining room with motion pictures.

The Lutheran Brotherhood will meet in the home of president, Archie McGehee, tomorrow, when adoption of a constitution will be considered and a social period is planned.

—o—

First Methdist Church

"Where Does Christ Come In" will be the Rev. Herbert Neale's sermon topic at both 9:30 and 11 a.m. services next Sunday. Sunday School will also meet at both hours.

Youth groups will meet as usual from 7 to 9 p.m. Sunday.

Tandem Club will hold a Chinese dinner tomorrow evening at 6:30 in the Fellowship Hall. Rev. Neale will show pictures and talk about some of the phases of his European Studytour which he has not yet reported on.

Kill Kare Kouples will also meet at 6:30 tomorrow evening in the Fireside Room for a potluck supper.

When the newly organized Men's Club meets at 6:45 p.m. next Monday in the Fireside Room, Dr. H. Price Webb will be guest speaker. Dr. Webb is director of adult education in the San Jose School District and one of the district lay leaders in the California Conference.

SCHOOL NEWS

San Tomas School

Dr. Dwight Bissell, health officer for the city of San Jose, will speak on polio at the San Tomas P.T.A. meeting which starts at 7:45 p.m. next Tuesday in the school. During the same meeting, William C. Henley, superintendent of Campbell Union School District, will speak on the bond issue. Child care will be provided and refreshments will be served by third grade mothers at the conclusion of the meeting.

San Tomas P. T. A. is now making plans for presentation of the "Follies" in March and an open meeting to discuss plans for the production will be held at the school Friday evening at 7:30. All persons in the district interested in taking part, are invited to attend.

Camden High School

Student work at Camden High will be displayed and described next Wednesday night at 8 p.m. at the P.T.A. meeting. "What the Year, so far, has Produced" is the theme of the meeting. Phil Maxfield, dean of boys, is chairman for the evening. Educational objecstives of the school will also be discussed.

CAMDEN HIGH PTA

"What the Year, so far, has Produced," will be the topic of a meeting of the Camden High School PTA on January 16. A display of student work will be presented, and a discussion held on the educational objectives of the school.

Phil Maxfield will be chairman for the evening. Mrs. William Murphy will preside.

Club Notes Anniversary

The twentieth anniversary of their clubs' founding was observed by St. Lucy's Women's Club at their meeting last week, when members went back over the years and reviewed the club's objectives and accomplishments during that time.

Mrs. Ira Grim was the club's first president and served two years in that capacity. First meeting place of the group was in Mrs. Grim's home and when membership increased, the group met in the old hall of St. Lucy's in back of the present church where many parish affairs were held, as well as Red Cross and U.S.O. activity during World War II.

Mrs. Louis Bogner presided over last week's meeting after which Mrs. Grim presented Mrs. Joseph Souto, second president of the club, who read from old club records of the events in the club's history.

Miss Marilyn Kay followed with a talk on her recent trip to Europe when she and Miss Jean Monty toured the continent in a rented French car.

A birthday cake was served at the conclusion of the meeting. Hostesses for the day were: Mesdames Ira Grim, Will Levis, John Daniels and S. E. Hollum.

Campbell PTA Hears Talk on Counseling

The Campbell High School PTA held its January meeting in the Girls' Gymnasium yesterday. The speaker was Dr. Henry B. McDaniel of Stanford University, according to Mrs. Eugen C. Andres, public relations director for the Campbell Union High School District.

Dr. McDaniel spoke on the subject, "Counseling and Guidance." He is the author of a recently published college text book entitled, "Guidance in the Modern School."

Mrs. Andres was chairman for the evening. Mrs. Bruce Holmes presided at a business meeting which followed the speaker.

The counseling staff of Campbell High School put on a display of materials used in counseling work.

Heading the hostess committee was Mrs. Homer Hyde and Mrs. Oscar Quist. Refreshments were served by a committee headed by Mrs. Milton Parker.
